

Sai Chittala

A Hyderabad-based Product Designer
building digital Products at GroundHog

Professional Summary

Product Designer crafting elegant, conversion-driven experiences where form meets function. I simplify the complex, align design with strategy, and shape products that feel intuitive and scalable

Experience

Product Designer

GroundHogApps | October 2025 – Present

- Currently working on enhancing workflow efficiency and optimizing Groundhog’s suite of industrial SaaS products through improved UX flows and dashboard systems.
- Collaborating closely with product managers, developers, and QA teams to align user experience with operational performance metrics.

UI/UX Designer

Customfurnish | January 2024 – July 2025

- Led full platform redesign → 38% higher lead conversions, 27% reduced bounce rate via refined hierarchy and streamlined navigation.
- Built 3D SaaS interior design tool → 60% faster task completion, one-click property/material management.
- Developed property-level search → improved lookup speed 3× across 200+ assets.
- Contributed to design system documentation → ensured UI consistency and efficient developer handoff.

UI/UX Designer

Ricoz | January 2023 – December 2023

- Redesigned Adslmpact dashboard → simplified campaign management and reduced navigation friction.
- Collaborated on usability testing, translating findings into actionable UI refinements and performance improvements.

Freelance Product Designer

Yalla Gai | September 2022 – December 2022

- Designed end-to-end trip booking and live tracking flows for a mobility startup.
- Created user-tested wireframes and prototypes, enhancing task completion rates and mobile usability by 40%.

UI/UX Designer

Genic Technologies | February 2022 – August 2022

- Designed and iterated flows for Shruh, an internal SaaS productivity tool.
- Conducted usability tests and integrated feedback-driven improvements, increasing engagement across key modules.

Education

Bachelor Of Technology (CS) - 80%

BVC Engineering College | June 2019 – April 2023

Senior Secondary (MPC) - 93%

Narayana Junior College | June 2017 – April 2019
